-: Recipe for success :-

"Study while others are sleeping; work while others are loafing: prepare while others are playing, and dream while others are wishing."

"Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle."

"Being successful in exams is a simple two-step process: Believe in yourself and back it up with plain old hard work."

"School exams are memory tests; in real-world, no one is going to stop you from referring to a book to solve a problem."

"Whatever you do, do well, and success will attend to your efforts. All the best wishes for your test."

"An exam is not only a test of your academic knowledge; it is a test of your calmness, stability, and courage. All the best."
